Viewing Guide for “Colonialism and the Jews of North Africa”

Directions: While you are watching the film, record notes that help you answer the following questions.

Factual questions:	
When did the era of colonialism in North Africa begin? What are some aspects of colonialism that are highlighted in the video? (0:00-3:10)	
What ideologies spread alongside the colonial presence in North Africa? (3:10)	

Explain some of the economic, social, and legal shifts within the Jewish communities of North Africa? Then, identify if these shifts were the same across the North African states. (-8:57)	
Inferential questions:	
In what ways did Jewish communities' sense of belonging change or stay the same as a result of European colonization?	
In what ways did colonization bring about the rise of antisemitism in North Africa?
